
PYRASARK MOBILITY

A8

Jump Starter & Tyre Inflator

Starting assistance. Tyre care. Together.

A portable jump starter for compatible 12 V vehicles, with tyre inflation built in. Battery clamps, digital pressure controls, USB power output and integrated lighting bring practical roadside functions together.

Jump-start assistance

Keep starting assistance close at hand for compatible 12 V vehicles, using the battery clamps.

Tyre care, built in

A dedicated hose, digital display and selectable pressure units support tyre inflation.

Power and light

USB power output and integrated lighting add useful functions for travel stops.

RETAIL & DISTRIBUTION
