
PYRASPARK MOBILITY

B2

Multifunctional Jump Starter

Start prepared. Bring more along.

A portable jump starter for compatible 12 V vehicles, with tyre inflation, power-bank and lighting functions. A carry handle, protective case and vacuum / blower accessories bring the multifunction kit together.

Jump starting comes first

Starting assistance for compatible 12 V vehicles, with battery clamps included.

More useful functions

Tyre inflation, portable power and lighting share one carry-handle unit.

A kit that goes further

Vacuum / blower attachments, inflation accessories and a protective case complete the set.

RETAIL & DISTRIBUTION

Discuss product selection, current availability and order arrangements with the PyraSpark team.
