FW300

Cordless Electric Air Duster

A fresh approach to everyday dust.

Direct adjustable airflow into the places that are awkward to reach. With three speed settings and interchangeable nozzles, the FW300 is a compact companion for everyday dust removal.

Choose your airflow

Three speed settings let you adjust the output to the task.

Reach the little spaces

Four nozzle shapes offer different ways to direct airflow around surfaces and gaps.

Keep your kit together

A storage bag, cleaning brush and USB-C cable complete the portable set.
