Q5

Portable Tyre Inflator

A little preparation. A smoother journey.

A compact tyre inflator for everyday pressure checks and on-the-go top-ups. Set your target pressure, follow the digital display and let automatic shut-off take care of the finish.

Set. Inflate. Go.

Select your target pressure and the Q5 stops automatically when it is reached.

Easy to keep close

A 105 × 95 × 38 mm body makes it easy to store with your travel essentials.

More than car tyres

Supplied nozzle adapters support a range of inflation tasks, from bicycle tyres to sports balls.
